Neuroscience Journal Club: Registration and Attendance Guidelines

Students are required to sign up for and attend NS Journal Club in the fall, winter and spring quarters of their first and second years.

Students are required to sign up for and attend journal club in 2 out of 3 quarters of their third and fourth years.

To receive a passing grade, a student must certify that he or she has attended the entire portions of at least 7 sessions of the journal club in a quarter. Students who have not met this requirement will receive an incomplete that can be changed to a passing grade through attendance at the required number of sessions in a subsequent quarter.

**Note:** UCSF rules state that incompletes must be cleared within one year or a permanent grade of F will be assigned.

**Note:** Students who are required to sign up for, but may not be able to attend, journal club in a given quarter, may defer enrollment, but must complete the requirement by the end of the following year.
